There you will notice a new checklist item (Enrollment Response Form) to confirm your decision; this will then direct you to submit your \$250 enrollment deposit. Complete the Enrollment Response Form and submit your deposit by July 19, 2021.

After you have submitted the deposit, discuss your course selections with Dr. Jackson and complete your registration online through DORI, Self-Service. Begin using DORI by starting at this website <https://webapps.duq.edu/multipass> and then initialize your Multipass. If you are experiencing difficulty with online registration, call the Help Desk at 412.396.HFEP (4357), the Graduate School office at 412.396.6400, or the Mathematics & Computer Science Department, 412.396.6467.

The fee for one ESL course is at least \$1,171, excluding books. Students who submit sufficiently high English scores or approved for the English waiver will be exempt from ESL courses.

Congratulations on your acceptance and welcome to the Graduate School and the Mathematics & Computer Science Department.

LETTER OF RECOMMENDATION

I take immense pleasure in recommending SoumyaAnand for the post graduate study programme in your prestigious college. I have known Soumya as a student of electronics and communication engineering during the period 2015-2018. I was able to assess her academic performance during a couple of instances in these three years.

I was the Head Of The Department during this period. I have found the academic performance of SoumyaAnand to be one of the best among her class of 55 students. She has always completed the assigned jobs on time. I have observed her to be a very sincere and hardworking student. This was put to display when she took seminars and submitted her assignments. I have found her to have good time management skills. This was evident when she submitted all her records on time.

Soumya also excels in extra-curricular activities as well. She has won the singing competition in VIT for two consecutive years. She has actively taken part in the college symposiums and workshops. She was in the organising committee. I found her to have high organisational and leadership skills. She was also in the editorial team of the in-house department magazine, "campus chronicles". She is a bold speaker and has great communication skills. She was well behaved student and possessed a commendable conduct in class.

I very much agree with Soumya's decision to pursue higher studies and would recommend her for the same in your institution.
